Said Certificate of Insurance shall be delivered and approved by the Town prior to the commencement of any work by the Contractor.

(B) The Contract shall provide to the Town a satisfactory Certificate of Insurance evidencing that worker's compensation insurance is in effect, which shall stay in effect for the duration of this Contract.

(C) Except for the amount, if any, of damage contributed to, caused by or resulting from the gross negligence of the Town, the Contractor shall indemnify, defend and hold the Town, its officers, employees and agents, jointly and severally, free and harmless from and against any and all liability, damages, claims, causes of action, demands, costs, judgments, fees, attorneys' fees and expenses and/or loss arising directly or indirectly out of the acts or omissions by the Contractor, its subcontractors, and/or third parties under the direction or control of the Contractor, in the performance of any of Contractor's obligations hereunder.

SECTION 14 – NONDISCRIMINATION

During the term of this Contract, the Contractor agrees as follows:

In accordance with Article 15 of the Executive Law (also known as the Human Rights Law) and all other state and federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, age, disability or marital status. Furthermore, in accordance with

Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public buildings or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this Contract shall be performed within the State of New York, the Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, national origin, sex or disability (a) discriminate in hiring against any citizen of the State of New York who is qualified and available to perform the work; and (b) discriminate against or intimidate any employee hired for the performance of work under this Contract. The Contractor is subject to possible termination of this Contract and forfeiture of all monies due hereunder for a violation of this clause.

**SECTION 15 – EQUAL EMPLOYMENT OPPORTUNITIES
FOR MINORITIES AND WOMEN**

In accordance with Section 312 of the Executive Law, if this Contract is (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of Twenty-Five Thousand Dollars (\$25,000.00), whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, rendered, or furnished to the contracting agency; or (ii) a written agreement in excess of One Hundred Thousand Dollars (\$100,000.00), whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of One Hundred Thousand Dollars (\$100,000.00), whereby the owner of a state-assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements

thereon for such project, then:

(A) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status;

(B) At the request of the Town, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(C) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

The Contractor will include the provisions of paragraph (A), (B) and (C) above in every subcontract over Twenty-Five Thousand Dollars (\$25,000.00) for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon. Section 312 of the Executive Law does not apply to (i) work, goods or services unrelated to this Contract; or (ii) employment outside of the State of New York; or (iii) banking services, insurance policies, or the sale of securities. The Contractor shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section as compliance with this section. The Town shall determine whether the imposition of the requirement of the provisions herein duplicate or conflict with any such federal law and, if such duplication or conflict exists, the contracting agency

shall waive the applicability of Section 312 to the extent of such duplication or conflict. The Contractor shall comply with all duly promulgated and lawful rules and regulations of the Governor's Office of Minority and Women's Business Development pertaining hereto.

(The section also provides for the process of applying to the industrial commissioner for a dispensation in order to allow laborers to work in excess of this amount of time, and to be compensated with premium wages prevailing in the area, however it does not specifically state that this must be included in the contract.)

Each laborer, workman, or mechanic shall be paid wages not lower than the prevailing rate for a day's work in the same trade or occupation in the locality within the state where such public work is located.
