POLICY FOR USE OF THE VETERANS MEMORIAL PARK

Park: District residents and community-based organizations may use the facilities of the Patterson Veterans Memorial Park: during times that do not interfere with pre-scheduled activities. The availability of the park is based on a first come first served basis. The sponsoring organization is responsible for maintaining the condition of buildings and grounds used for their event or activity including set-up and take-down.

The sponsoring organization is also responsible for parking and traffic control. Cars must be parked in designated areas used for that purpose. They must be kept parked so as not to block road ways, driveways, exits, or fire lanes.

It is the sponsoring organizations responsibility to line the soccer or baseball field (if needed) and rake out the baseball field after each use.

In case of rain, fields are closed and should not be used. If during a game or practice it starts to rain, game must be ended and everyone must vacate the field.

The sponsoring organization is responsible for abiding by public safety regulations. The sponsoring organization is obligated to follow any safety instructions given by the Patterson Veterans Memorial Park Caretaker, Lifeguard, Park Advisory Board Member or Town Official.

A valid, unexpired Certificate of Insurance will be required for at least one million dollars of general liability coverage naming the Patterson Veterans Memorial Park as additional insured for the period of use of the Park property and facilities.

This will also be required for outside vendors at an event (i.e., bounce houses, car show etc.)

Use will be confined to the spaces reserved as there may be more than one activity being held at the park.

The Town of Patterson will not be held liable for any damages, direct or consequential, if for any reason, the facilities agreed upon are not made available.

Children must be properly supervised and no group will be admitted which does not have at least one adult present for each given number of children, depending on the activity. Children in very large groups or engaged in very active pursuits must have adequate supervision. Children must be supervised at the lake at all times by parents or a responsible adult.

No glass is permitted on or near the beaches.

No animals of any kind are allowed in the park, **except service animals with proper certification.**

No **skateboards, roller skates**, bikes or motorized vehicles are allowed in the park.

Previous use of recreation facilities does not guarantee the same time and place for future requests. An Application for Use of Park Facilities Request form must be received from town hall and approved by the Patterson Park Advisory Board, then the permit will be approved by the Town Clerk.

Use of park facilities may not be approved if the individual or group has disobeyed park rules and regulations from previous use.

Due to the high demand for the park, please notify the Town of a cancellation as soon as possible.

Park hours are from 9:00 a.m. to Sunset from October 1st through May 31st and from 9:00 a.m. to 8:00 p.m. from June 1st through September 30th. The beaches and pond are only open when lifeguards are present. Beaches and pond are open from 10:00 a.m. to 7:00 p.m. daily during the summer. Please note the pond is only open on weekends during the beginning of the season.

Please be advised that your set-up should start at the time that you have requested to start and no earlier than the time at which the park opens. Clean up should begin thirty minutes before the time your function is scheduled to end. Your organization should be ready to leave at the time stated on the request form. In order for scheduling to run smoothly and for the caretaker to prepare for the next day's events with adequate time and lighting still available, we need each organization to abide by these terms.

VETERANS MEMORIAL PARK
